

SOUTH AFRICAN WOMEN'S FORTE

Tribute to Michelle Michael

It is with deep sorrow and a heavy heart as founding president of the South African Women's Forte (SAWF), I pay tribute to a dear friend whom I have come to know for just over a decade but shared a journey of memories that will last a life time.

For those who knew Michelle, knew that her determination and her zest to live her life to the fullest with no limitations.

Michelle, a woman of substance, courage and faith left a mark on many by encouraging us to emulate her strength and her fight for life. She was generous at heart and cared for the less fortunate, and we can safely say her contribution has made a huge difference as she lived by the SAWF Motto "We do what we can for a better tomorrow"

"The members of the SAWF" had the privilege to work and serve under her leadership as vice president from 2012 to 2014 and as president from 2014 to 2016. Michelle's life was cut far too short but during her time on earth but she touched the lives of many, nationally and internationally. She has travelled extensively making numerous friends who share this loss with us.

Michelle, your memory will live in our hearts forever and you will be dearly missed.

Lovingly,

Rita Abraham

Founding president SAWF (since 1997)
